

## FEAST OF CORPUS CHRISTI

June 19<sup>th</sup>, 2022

The First Reading tells us how Melchizedek, king of Salem (early name for Jerusalem), comes to greet Abraham. Melchizedek is also a priest. As such he brings an offering of bread and wine to Abraham, and pronounces a blessing over him. In Christian tradition that bread and wine were taken to prefigure the bread and wine of the Eucharist. St. Paul's account of the institution of the Eucharist is the earliest written account of the origin of the Eucharist (Second Reading). When we celebrate the Eucharist Christ is not merely present, but we re-enact the Death by which He saved us. The Eucharist not only looks to the past, but also looks forward to the fulfilment of the Kingdom of God. The eucharistic significance of the multiplication of the loaves is brought out by the use of liturgical language. St. Luke uses the same words here as at the Last Super and at Emmaus: "*Jesus took... blessed... broke... gave...*" In the Eucharist the Church continues the mission of Jesus to teach, to heal, and to nourish the people of God.

**Our Saint of the Week: St. Thomas More (1478-1535)** – his belief that no lay ruler has jurisdiction over the Church of Christ cost Thomas More his life. Beheaded on Tower Hill, London, on July 6, 1535, St. Thomas More steadfastly refused to approve King Henry VIII's divorce and remarriage and establishment of the Church of England. Described as "a man for all seasons," More was a literary scholar, eminent lawyer, gentleman, father of four children, and chancellor of England. An intensely spiritual man, he would not support the king's divorce from Catherine of Aragon in order to marry Anne Boleyn. Nor would he acknowledge Henry as supreme head of the Church in England, breaking with Rome, and denying the pope as head. Thomas More was committed to the Tower of London to await trial for treason: not swearing to the Act of Succession and the Oath of Supremacy. Upon conviction, Thomas More declared he had all the councils of Christendom and not just the council of one realm to support him in the decision of his conscience. Four hundred years later in 1935, Thomas More was

canonized a saint of God. Few saints are more relevant to our time. In the year 2000, in fact, Pope St. John Paul II named him patron of political leaders. The supreme diplomat and counselor, he did not compromise his own moral values in order to please the king, knowing that true allegiance to authority is not blind acceptance of everything that authority wants. King Henry himself realized this and tried desperately to win his chancellor to his side because he knew More was a man whose approval counted, a man whose personal integrity no one questioned. But when Thomas More resigned as chancellor, unable to approve the two matters that meant most to Henry, the king had to get rid of him. St. Thomas More pray for us!
